

Monday 18th January 2021

Dear parents/carers,

Thank you for all your efforts with home learning so far. We are really pleased with the work that the children are uploading to Seesaw. Please encourage them to continue uploading their work daily.

EXCITING ANNOUNCEMENT!

To further improve our home learning provision, we are excited to introduce live 'face to face' sessions. We know that our children would really benefit from the social interaction with their friends and time to speak to staff. This will be a daily meet up at a set time for each year group. Please see the timetable below:

9:30am	Y1
10:00am	Y3
10:30am	Y5
11:30am	Reception
2:00pm	Y2
2:30pm	Y4 Y6

To ensure the safety of our children, we will be using Google Classroom and Google Meet. Later today we will be sending out a guide with the instructions for how to log in to Google Classroom. There will also be a user agreement, which children and adults must agree to and adhere to before joining any videos.

By joining the Google Classroom session you will be agreeing to the conditions in the user agreement.

We have set up a school email address and password for every child. These have been sent to you via Seesaw on this morning at 09:00am. If you cannot find these on Seesaw or if you need your Seesaw login, please email info@pinfold-st.walsall.sch.uk.

These live video sessions will enable the children to chat with their friends, review the previous day's home learning, talk about today's tasks and ask any questions. They will begin tomorrow, Tuesday 19th January, so today you can practise logging in and check that everything works.

If you have any questions, please email info@pinfold-st.walsall.sch.uk.

We look forward to seeing all our children on the live videos on Tuesday.

Take care and stay safe.

Mrs Toni Beech

Headteacher
