SUMMER READING IDEAS.....

4. For younger readers....

The CBeebies Storytime app encourages a love of stories in early years and supports literacy, vocabulary and reading skills.

Children and parents can enjoy ten new interactive stories in the new look app, from celebrated children's authors including Waterstones Children's Laureate Cressida Cowell, Destynee Onwochei and Olly Pike.

The new stories celebrate diversity and inclusivity to better reflect the lives of all children from across the UK. The app has also been updated to make it easier to use for young children, with a brand new look and stories full of playful interactions.

5. Catch yourself reading!

Why not have some fun and take some selfies of you and your family reading in different and unusual places over the summer holidays! This could be on a family picnic, by the swimming pool, near landmarks, on day trips etc.

6. The Summer Reading Challenge 2022.

Free sign up at: <https://summerreadingchallenge.org.uk/join-in>

Don't forget!
Parents or older children can log their daily reading homework on Go Read.

The children have done so well with their reading in school this year!

Let's keep that going through the summer holidays so we can pick up where we left off on our return to school in September.
