END OF YEAR REPORTS

Teachers will be writing end of year reports for every child this term. Reports will be handed out during the week beginning 5th July.

There will be an opportunity for parents to discuss the content of the reports with teachers between 3:45pm and 5:00pm on Wednesday 14th July.

COVID TESTING – when you feel well and want to check for covid

Thank you to those parents who completed a lateral flow device test just before returning to school.

There is no need for you to share the outcome of these tests, unless the result is positive. They are for your peace of mind and reassurance and the safety of our school community.

NO SYMPTOMS OF COVID (asymptomatic) AND YOU FEEL WELL

Lateral Flow Device Tests, can be **used to check you do not have coronavirus** when you are feeling well and have NO COVID SYMPTOMS at all.

Lateral Flow Device Tests for people who live in Darlaston, can be collected from Darlaston Town Hall. They are open Monday to Friday, 7am until 4pm. You do not need an appointment, you can walk in at any time to collect the Lateral Flow Device Test.

They have two types of tests – One that can be done in the Town Hall and one that can be taken home to complete.

IF you have completed your test at home and it is positive, you will need to book a test at a COVID testing centre to confirm the result.

Thank you again for your support following our systems and processes to keep everyone safe.
