

31st January 2024

Dear Parents/Carers,

Our school has partnered up with a company called 'Collection 4 Clothes', they are an ethical recycling business who provide a free way for you to recycle your preloved clothes and items while helping to raise money for our school and Birmingham Children's Hospital.

Mrs Wilkinson will be launching this project next week during Children's Mental Health week. Each year group will be allocated a week for them to bring items into the school. The children will bring a tote bag home on the Friday before their allocated donation week, which you can fill up with anything you wish to donate for recycling. Some examples of what can be recycled are:

- Clothes
- Shoes
- Handbags
- Bath Mats
- Kitchenware
- Cutlery
- Crockery
- Pet accessories (Dog beds, toys etc)
- Pots & Pans
- Jewellery
- Childrens Toys
- Games
- Baby Items (Car seats, bottles etc.)
- Push chairs
- Homeware
- Photo frames
