

Friday 18th February

Dear parents and carers

COVID update

The government will be updating the COVID restrictions and expectations next week. Hopefully, this will bring good news and we can end the one way system in school. Please try to do a lateral flow test before the children come back to school.

All children, including Reception children, will enter through and leave via the Pinfold Street gates or the Moxley Road gates.

The gate by the main school office will no longer be opened.

With this in mind, can I remind everyone that you **CANNOT drive down Pinfold Street Extension** in the mornings and after school. Only people with permits can drive down Pinfold Street Extension between 8:00am & 9:30am and 2:30pm & 4:00pm. This is a Highways law and enforceable by the police.

This has been introduced to keep children safe!

We will be reporting parents who consistently break this rule to the Highways Agency.

Mental Health Week

Thank you to all our families and carers for your donations. We raised £250!

Details for the first week back
