

Dear parents and carers

As the weather is changing, almost by the hour, please ensure that children are prepared for all types of weather in one day.

Reminder that **school is closed to pupils on Monday** for a staff training day, this was shared in the newsletter sent on 17th September.

<p style="text-align: center;"><u>P.E.</u></p> <p>Children can come into school in their PE kits when they have PE or an after school club that day. PE kits must be:</p> <ul style="list-style-type: none"> - trainers - plain joggers or tracksuit trousers - a plain jacket - their house colour t-shirt. <p>If you do not know your child's house colour, you can find out by calling the school office. House colour t-shirts can be purchased from the school office.</p>	<p style="text-align: center;"><u>SAFEGUARDING MESSAGE</u></p> <p style="text-align: center;">It is very important that families monitor what the children are watching and games they are playing. <u>Age ratings</u> are there to help protect children, particularly primary age children who are too immature to understand and deal with some of the complicated story lines. Specifically, children may not be able to recognise what is pretend and real.</p>
