Primary School

Monday 31<sup>st</sup> January

Dear parents and carers of children in Butterfly and Dragonfly classes,

### **Staff Absences**

Unfortunately, due to high levels of staff absence, we are in the position where we cannot fully staff our Reception classes.

Despite our best efforts, we do not have sufficient staff to open our Reception classes to all children on Tuesday 1<sup>st</sup> February and Wednesday 2<sup>nd</sup> February.

We need to ask that **most of the Reception children stay at home** and complete their home learning.

### **WHO CAN STILL ATTEND SCHOOL**

**Children of critical workers:** If you sent in the form state that you are a critical worker, your child can still attend school.

**Vulnerable children:** If you have received a phone call from school today, informing you that we feel your child should still attend school.

### **Compulsory Home Learning**

Any children who are asked to stay at home will still need to complete their learning, lessons will be shared by staff through Seesaw.

We know this will cause inconvenience for some of you and, for that, we can only apologise. Hopefully, we will be able to reopen to pupils soon. We will keep you updated.
