

Autumn 2

Festivals of Light

By the end of this topic, I should know:

That there are different religions that celebrate different festivals.

The festivals that I celebrate.

The differences between day and night.

How to be safe with fire and fireworks.

How to cross the road safely.

That there are special buildings where people go to pray.

That different cultures, religions and celebrations have lots of things in common.

That some things we do are linked to historical events.

SKILLS

Gross Motor: Catch a large ball.

Fine Motor: Use a tripod grip to hold a pencil.

Personal, Social and Emotional: Manage own clothing including zips, buttons and shoes.

Communication and Language: Learn and use new words quickly.

Creative: Develop storylines in play, acting out familiar stories and making up own.
