Primary School

## Attendance Newsletter

### November 2023

At Pinfold Street Primary School, we are working hard to improve attendance. It is very important that children come to school every day that they can. By coming to school every day, it will help our children to become prepared for life.

Congratulations to the 152 pupils who still have 100% attendance!

Well done to the 227 pupils who have an attendance of 96% or more!

**At Pinfold Street Primary School, our target for whole school attendance is 96%**

**Currently our attendance is 93%**

**Come on team Pinfold let us work together to reach our target.**

#### Did you know.....

**20 fines have been issued so far this year for unauthorised holidays.**

### Some quotes from our pupils

Last year my attendance was 82.5% but this year my attendance is 97% I feel much better and I am more confident with my learning!

Last year my attendance was 84.7% it was terrible. Sometimes I did not want to come to school but now I love school and I want to improve my learning so that I can go to college and get a good job. I want to raise money for children in need. Now my attendance is 95.7%

I am so happy that my attendance is still 100%  
Last year it was 80.2%

Last year I was poorly a lot and had to have a lot of time off school. Miss Kennedy helped me and my mum to make my attendance better by letting me stay inside if I wasn't feeling right or ringing mum for a top up of my medicine. This year my attendance is 100% so far and I know that if I come into school when I'm a little bit poorly my teachers will look after me. I have moved up another group in my phonics since the end of Year 1. My attendance is 100% now.

Last year my attendance was 89.17% I used to fall out a lot with my friends because when I was off they used to play with new people and play new games. I felt left out. This year I haven't been falling out with my friends. I also have some trusted adult cards so I can talk to them if I need help. This year my attendance is 96.7%
