

Dear parents

Before COVID, we used to offer a wide range of trips and special event days at school. Due to restrictions, we have not been able to do half as many things as we used to. One way we have tried to increase what we offer is to plan Enrichment activities and after school clubs. We felt that we have been working hard behind the scenes planning these fantastic things but we haven't shared what we are doing with you – so this newsletter contains all the exciting things that are going on.

AFTER SCHOOL CLUBS

Our aim is to offer every child the opportunity to attend at least one after school club by July 2022. The table below shows the clubs that we offered in Autumn 2021

Club	Years	Summary
Art	3-4	Pinfold art club is run by an artist called Mark Riley and he teaches our children an amazing range of art skills. Some of the artwork that the children are producing will be displayed in our outdoor sensory garden for the whole school to enjoy.
Sports	2-6	Our sports clubs are run by Aspire coaches. They teach a whole range of sports from football to archery.
Forest schools	3-6	Our forest school clubs take place in our wide range of outdoor areas. Children learn anything from foraging to designing and building things from natural materials.
Music	5	Our music club helps our children to develop a wide range of musical skills It also encourages our children to spark an interest in music from an early age.

Below are some of the clubs that we will be offering during the rest of the year. We are also in the process of trying to arrange additional clubs to offer our Reception and Y1 children.

Club	Years	Summary
Art	1-6	Pinfold art club is run by an artist called Mark Riley and he teaches our children an amazing range of art skills. Some of the artwork that the children are producing will be displayed in our outdoor sensory garden for the whole school to enjoy.
Sports	EYFS to 6	Our sports clubs are run by Aspire coaches. They teach a whole range of sports from football to archery.
Nature club	1-5	Our forest school clubs take place in our wide range of outdoor areas. Children learn anything from foraging to designing and building things from natural materials.
Music	3-5	Our music club helps our children to develop a wide range of musical skills It also encourages our children to spark an interest in music from an early age.

ENRICHMENT PROGRAMME

This is the second year of our enrichment programme. The aim of this programme of activities is to ensure that the children:

- have opportunities that will help them to be 'Prepared for life'
- have experiences that they wouldn't usually so our school curriculum extends beyond the academic
- attend activities to support mental health and wellbeing
- are encouraged to be outdoor and active
- ignite passions
- spot talents
- to develop aspirations by providing wider experiences
- to work with outside providers
- to provide the children with varied activities during their time at Pinfold
