

# Autumn 1

## Welcome to Pinfold

By the end of this topic, I should know:

The rules and routines of my class and school and why they are important.

How to wash my hands, brush my teeth and be healthy.

The names for parts of my body (inside and out) and what they do.

That there are fiction and non-fiction books.

What happens in Autumn.

How to correctly dispose of my rubbish.

That certain things decompose.

That I can call 999 in an emergency.

### SKILLS

*Gross Motor:* Pedal a tricycle

*Fine Motor:* Make snips with scissors

*Personal, Social and Emotional:* Feed self with knife, fork and spoon, cutting up food when needed.

*Communication and Language:* Demonstrate good sitting, good looking and good listening.
